Buckman's / BLUE Mountain CHALLENGE SERIES

CONCEPT: A weekly series of four open races offered to a team. The "Men's Team" defined as a minimum of five and a maximum of seven racers. The "Women's Team" defined as a minimum of three and a maximum of five women. Any teams running without the minimum number will take a 90 second penalty for the missing members.

FORMAT: The race will be a dual slalom, with all members of the "Team" making one run on the red and blue course. The race will be judged by standard F.I.S. rules.

Scoring: Awards will be based upon weekly team points. Team points will be earned by compiling the total time from the red and blue course for the five fastest men racers for each team and the three fastest women racers from each team. In the unlikely hood of a tie we will go to the next racer of the teams involved. Calculation of the weekly and overall team standings will be based upon the sum total of team times. "Did not Finish", "Did not Run", and "Disqualifications" will be assessed the following penalties; DNF=90 seconds, DSQ = 90 Seconds, DNR = 90 seconds.
