VENUE RENTAL INFORMATION

Nestled in the heart of Vail's Ford Park with the majestic Gore Range as a backdrop, the Gerald R. Ford Amphitheater *Vilar Pavilion* has served as the focal point for the summer season of performing arts in the Vail Valley. Since opening its doors in 1987, the Ford Amphitheater has played host to a vast and diverse array of world-renowned talent including the Bolshoi Ballet, Bob Hope, Sheryl Crow, Willie Nelson, Bob Dylan, John Denver, James Brown, the Dallas Symphony Orchestra, B.B. King, the Dixie Chicks, and Crosby, Stills, & Nash. Annual series such as the Budweiser Hot Summer Nights free concert series, Bravo! Vail Valley Music Festival, and Vail International Dance Festival showcase not only the distinctive assortment of performing arts offerings, but the versatility of the facility as well. The Ford Amphitheater *Vilar Pavilion* is the perfect setting for weddings, corporate gatherings, or community meetings.

In 2001, the Ford Amphitheater underwent a \$10-million reconstruction. The facility now boasts a completely redesigned pavilion roof, new and expanded bar and concessions buildings, new box office, expanded public restrooms, and new Green Room.
