

**Wisp Resort** is seeking a driven individual to join our Mountain Operations Division as a **Lead Electrician**. To be considered, you must have experience with both low voltage and high voltage systems with a current Journeyman electrician license or higher. The ideal candidate will have experience in both indoor and outdoor electrical projects, be proficient with commercial wiring practices and code, skilled in running conduit, have knowledge of power distribution, lighting, and basic motor control circuits. Applicants should own their own tools and personal protective equipment. A team focused mindset and effective communication skills are a must. Knowledge of computer controls and strong mechanical skills are preferred. The candidate must be able to work with minimal supervision and must be a self starter.

If you are willing to join a high performance team, please submit your resume, references and cover letter to us by one of the methods below.
